

Glyfada 30 MAR 2018

To whom it may concern.

Subject: FURUNO ECDIS FMD-3200/3300/BB , FMD-3100

Dear Sirs

We would like to confirm that for subject ECDIS models the latest software version is 3.15 as of today.

All 3.xx software versions comply with latest IMO and IHO standards so update from one to another is not required

Best regards

Konstantakis Kyriakos

Technical Manager.

FURUNO HELLAS SA.
